Luke Carney has no idea what possessed him to move back to Shelter Springs, Colorado, to set up his veterinarian practice. His parents had long since left, the small farming community is on the brink of extinction, and only one close friend from his childhood remains--Taycee Emerson, his best friend's little sister, who isn't so little anymore. Then there's the matter of Shelter's Bachelorette, an online reality dating show created to raise some much needed funds for the town. Unknowingly cast as the bachelorette for her town's charity event, Taycee Emerson wants out. Especially when she discovers her old teenage crush, Luke Carney, is one of the bachelors and it's up to the viewers--not her--to decide which bachelors stay or go. Coerced into participating, Taycee does what any self-preserving girl would do. She launches a subtle attack on Luke's good name with the hope of getting him voted off the show. Unfortunately, Luke's an eye-for-an-eye kind of guy, and when he discovers what she's up to, it means revenge. This item ships from La Vergne, TN. Paperback.
