At the farm with which we are dealing, the machine building has been placed to the right of the offices, facing the south (see the general plan, Fig. 5), under the eyes of the manager and near the cow houses and the pig stys. The tuber stores and other crops are brought to the machine building by small cars (Fig. 9, plan of the ground floor). What is not used immediately can be stored away and held in reserve. This is the explanation of Figure 9: A, fermentation boxes; B, the stairs to the loft; C, cooking utensils for food; D, grinding machines; E, washing machines for the roots; F, root cutters; G, crushed cakes; H, flattened...
