CHILDHOOD SEXUAL ABUSE: AN EVIDENCE BASED PERSPECTIVE

[DOWNLOAD](#)

SAGE Publications Inc, United States, 1999. Paperback. Book Condition: New. New.. 217 x 141 mm. Language: English Brand New Book ***** Print on Demand *****. In my opinion, this book is essential reading since there is no such similar work as recent or as succinct which covers these vital questions - Counselling Represents a useful resource and summary of a great deal of research in the field of child sexual abuse - Child Psychology Psychiatry This book critically reviews research into child sexual abuse (CSA), and provides a concise and clear guide to current knowledge. The topics covered include: the prevalence of CSA; who molests children; the effects of such abuse, both immediate and long term; the risk factors for abuse; and the influences and interventions which may amplify, or ameliorate, the impact of CSA on the victim. Areas of debate such as the false memory syndrome are approached in terms of the research data which is relevant to their resolution.
