Clarion Word, United States, 2007. Paperback. Book Condition: New. Workbook. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This study guide, a companion to Charlie Brackett's book titled Get Ready, Get Set, I Do!, (ISBN 978-0-9779577-0-5) is especially designed for classroom use. The questions in this workbook parallel the book's content. Get Ready, Get Set, I Do!, the book, includes questions for individual evaluation of a person's suitability as a marriage partner. They are designed to help individuals who are contemplating marriage identify strengths that will assist in building a happy relationship and weaknesses that might hinder marital success. Consequently, the questions are very personal, useful in choosing a marriage partner. While the book is targeted primarily to those contemplating marriage, it is equally valuable as a self-help tool for married couples who would like to improve their relationship. After the book was published, many expressed interest in using it with the Bible as a textbook in class study. This student study workbook was created to address that interest by providing a broader range of questions suitable for group discussion. There is a third book in the group, the Get Ready, Get Set, I Do! Teacher's Guide (ISBN 978-0-9779577-2-9). In it are possible answers to student questions and suggestions for prompting and guiding class discussion. This set of books will help students understand and apply critical Bible passages as they prepare for godly marriage and will be useful as they work to make marital relations happier in God.
