The key to unlocking your creative power is to know the self, including its origin and components. Achieving Self-mastery has been an enigmatic quest for humankind for eons. Yet, a few masters have solved the riddle and completed the path to enlightenment. The Power of Self outlines the secrets and principles that these masters have taught about the human mind. The author guides and inspires, making it easy to see how to unlock the infinite potential of your real Self. He also gives practical advice about how this time-honored wisdom can be applied to daily life. The Path to Self-mastery is a process, whereby we gradually cleanse the mind from all of the limited ideas, beliefs, paradigms and assumptions that spring from the material world. We gradually throw out what colors our perception, and one day we will see the light entering the mind without having it colored at all. The real key to unlocking the power of self is not to find some kind of magical formula that forces the light. The key is to empty your mind of the elements in the human kaleidoscope that block the flow of light from your higher Self....
