Reviews

Most of these publication is the greatest publication offered. It is actually rally intriguing throgh reading period of time. You can expect to like just how the article writer create this publication. (Eddie Schuppe)

QUOTESKINE: V. 1

Pro-Actif Communications. Hardback. Book Condition: new. BRAND NEW, Quoteskine: v. 1, Lee Crutchley, Lee Crutchley, The world would be a better place if everyone continued to draw past their teens. But we're told from an early age that art, especially drawing, won't pay bills. You need to do something with your life, become a doctor, or a mechanic, or a Teacher? If you really want to draw for a living, that's called illustration. And you'll need to go to college, and uni, start from the bottom and work your way up. Drawing if for kids! Quoteskine is drawing for grown ups. Call it anti-illustration if you want. It celebrates the love of drawing and the subject matter that inspires each image. Taking in references from movies, books, music, famous figures and even including some self penned quotes. Quoteskine hopes to reconnect that childhood love of drawing and creativity with the adult brain. Forget a minute about the work you have to do and the bills you have to pay. Get lost instead in the grown up kid's world that is Quoteskine. Then it's your turn.
