

Rhode Island -- The Ocean State: Sheet

By -

Alfred Music, United States, 2015. Paperback. Book Condition: New. 300 x 226 mm. Language: English . Brand New Book. Rhode Island: The Ocean State showcases this East Coast state in three appealing movements. Westerly Mist is in E-flat major, with a middle section in E major. Copious accidentals, broken extended chords, and chromatic notes generate a misty sound. Specific fingerings in more difficult passages are helpful, and a light syncopation throughout provides energy. In The Golden Ring, there are imaginatively descriptive tempo markings and a carousel sound. It is cheerful, with abundant accidentals and a faster middle section. Narragansett Bay is in C major and contains abundant accidentals, a few blocked chords, and a contrasting middle section. Predominant features of this piece include hemiolas, left hand motion, and an exclusively right hand melody.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
