Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from New Jersey Hand-Book of Agriculture In the preparation of this Handbook the contributors were guided by the wish to present to the reader a comprehensive view of the Agricultural resources of New Jersey. It was also the wish of the contributors to point out the opportunities that are offered to the homeseeker by the farm lands of the State. There are many important industries in New Jersey. There are others less important. Since the scope of the present Handbook is limited, only the more important questions relating to rural life in New Jersey could be considered at some length. It is recognized that within the past twenty years New Jersey has been changing rapidly the character of its Agriculture and its agricultural methods. General Farming and Dairy farming are no longer as prominent as heretofore, while fruit growing, market gardening and poultry raising are assuming rapidly increasing proportions. The systems of farming pursued are becoming more extensive with a corresponding increase in the returns per acre. A perusal of this Handbook will permit the reader...
