Trafford Publishing, Canada, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1998, Deborah Burford and her husband, David, loaded their cars and trailer with their belongings-along with four cats, two dogs, and one ferret-and departed New Jersey for a new home in the North Georgia mountains. In *Love from the Mountains*, Deborah shares a compilation of her weekly columns, originally published in *The North Georgia News* and *The Towns County Herald*, bringing to life the humorous voices of the animals-both wild and domestic-who share the woods with her. There s a squirrel named Howard, who taunts Miss Adventure the cat with unsavory language; there s Mangefur, the opossum who develops a taste for high-priced birdseed, and Bosley and Cosette, the miniature poodles who possess an insatiable appetite for puddle-surfing. Exploring the entertaining world of nature, Deborah includes amusing anecdotes about a hungry bear with an eclectic appetite, a ferret who likes women s toes, and four mutt cats who rely on their patience to torment other animals crazy enough to traipse into their environment. The true animal stories in *Love from the Mountains* prove that the furry creatures who share our world with us really do have opinions on just about everything we humans do.
