Even those though, who have escaped until know with only scratches or even those lucky ones well being can find useful elements in it. It is a simple, but valuable tool. It does not contain hard to understand and complicated analysis nor prophecies nor wisdom nor magic solutions. Its raw material is COMMON SENSE! Its object is what tortures today the overwhelming majority of quite a few nations within the European Union and not only: THE ECONOMIC CRISIS. The crisis and how we may face it, not on a macroeconomic and political level, but on the everyday life of the individuals and their families in correlation with the family budget. This Practical Manual records simple ways, in which, individual citizens can face the crisis in personal, family and professional level, in order to avoid major wounds. Of course neither this book nor any other power...

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
